

120 Dollars Reward.

RAN away from the subscribers, living near Snowden's iron works, in Anne Arundel county, and state of Maryland, on Saturday the 24th ultimo, two negroes named GLASCOW and JOSHUA. Glasgow is about forty years of age, five feet six or seven inches high, has a flat nose, thick lips, red eyes, and when spoken to keeps one foot in motion. He had on a blue round jacket, a pair of light colored royal ribbed pantaloons, a new felt hat bound with ferreting, can spell and (we believe) read a little—he generally carries a hymn book with him. Joshua is a well set fellow, about thirty-five years of age, five feet four or five inches high; he has lost the first joint of his fore finger on the left hand, and in the act of walking swings one of his arms very much; is apt to get drunk. He had on a blue cloth coat and trousers, brown jacket, and high crowned felt hat; he had a brown coat and brown corded pantaloons, his other clothes not recollected—It is probable to disguise themselves they may change their dress. Also, a dark mulatto man named WILL, who ran away in the month of August, 1798, about thirty-five years of age, five feet six or seven inches high, had a long suit of hair which he generally wore queued, his eyebrows very large, and has much the appearance of an Indian descent.

Whoever takes up the said negroes, secures them in jail, (so that we get them again) and gives notice thereof in the Baltimore Federal Gazette, shall receive the above reward, or thirty dollars for either Joshua or Glasgow, and sixty dollars for Will, from the subscribers.
