

**R**UN-away, on the 20th of May last, from the Subscriber, living at North-Castle, County of Westchester, and Province of New-York, an Indian Servant Wench named Kate, is about 15 Years of Age, of a middling Size, and her Hair a little curl'd: Had an Iron Collar about her Neck, when she went away, and in all Probability will equip herself in Men's Cloths, and enlist for a Soldier, as she did once before; but was detected. She had a Pass for one Week, to look for a Master. Whoever takes up and secures said Wench, so that her Master may have her again, shall receive **TWENTY SHILLINGS** Reward, paid by  
**AARON FORMAN, Jun.**
