

In y^e Name of God Amen I William Bayly of Hamilton Tied in y^e Summer Islands all Commodas. I being y^e Lord
be praised in good & perfect Memory: though something weak in my body, have made this my last will and
Testament in maner following
In paines I Comend & Comitt my soule unto God that gaue it me: Through Whose mercy and y^e merits of Lord and
Saviour Iesus Christ: I doe confidently beleeue to be raised unto life ouerlasting at the Last, And as for my body
Desire it may be decently buried if Casualty by Sea prevent not, As passing in Boats in these parts may
prevent, as by experience might a very well becom my Condition: If y^e Lord had not bin pleased to direct
me and for my preservation, to his great praise be it spoken: And humble thanks to y^e Instruments
And as for that temporall Estate that y^e Lord hath lent me in this life, I beare as followeth: That is to say
y^e Value of y^e Land at now it is: And all y^e Stocks both of Servants and Cattel withall other goods and mer-
chandise, to be valued by men of Judgement: And for my wife, & three Children, to haue each of them
an equall proportion of such value as shall appere: When it shall please God to bestow them to y^e age
of Twenty one yeares: in y^e meane tyme y^e Improvement of Land & what shall arise of any proffitt shall
be in like maner disposed off by equall proportion: Now in case it should please God that, any of them y^e
Lord should take away before that tyme of yeares: Then that part to be diuided to y^e Survivors: of my
body: Only I giue unto Hugh God to y^e value of ten pound in meat or such goods as my said Wife
that now is, shall haue by her to pay within a Twelue Moneth and a day: And my wife to dispose of
her owne part at her pleasure in Case she should alter her Condition here: then to liue in y^e said house
so long as till y^e Children shall come to Age: I meane my son William, And in case William liue
not so long; then till my son John: or for her life, in case y^e Children & she can agree: Now in Case that
my said wife, should haue amind rather to goe to liue in England: and not to be returned hither
again: And she shall haue a desire to bring up her children there, then I desire what Estate is may be
sold to y^e full value: And look what is made thereof she may haue what is necessary for their
Transportation and for a yeares subsistence in Reason: And y^e Remainder to be put into y^e hands of y^e
Chamber of London: And I doe draw ouer y^e yeares y^e Allowance of Entree for their bringing up: And in
case she will put in her owne part also for y^e preservation of it she may & in case she hath not occasion
for to take out so much: she may let it remaine: Now for y^e strengthening of this my last will
I haue made bold to lay y^e said word of To Say: I Samuel Whalley and M^r Richard Stafford: Whome I
haue made ouer sores: to see the said thing performed as far as them lyeth, leaving my wife executrix
but not to let any thing of Consequence without y^e Advice of Say Whalley, or M^r Stafford or both:

in case it may bee. Lending to Capt: Samuell Whalley and Mr Richard Stafford y^e summe of forty shilling
d piers: for a token of my love and for what charges they shall be at: The estate to be as is signed to Mr
George Coale Twenty shillings as a token of my love: Now I have many friends in England that might
expect something: But having so many: And to take from young children of my own that are to
be brought up: I think it not convenient: And cutt off all former Wills by me made: if any should
pretend any: And concluded this my last will & Testament. The Twentieth day of March in y^e year of
our Lord, 1670 And in y^e Two & twentyeth year of our Sovereign Lord Charles y^e Second of England
Scotland Ireland &c: And have hereunto sett my hand & Seale
